### OTHER SPECIAL FUNDS

The Mississippi State Board of Public Accountancy funds its operations through the collection of fees in Treasury Fund 3845 from applications and registrations of active and retired CPAs, disciplinary costs reimbursements, civil penalties, and fees for candidate CPA examination applications.

The Board is contemplating a slight fee increase for license fees in future years. Prior to FY16, fees were not collected for the registration of CPA firms. In FY16, a firm fee will be charged for out-of-state firms with no physical office located in Mississippi to offset the cost of monitoring out-of-state peer review compliance.

The Mississippi State Board of Public Accountancy's mission is to test, regulate, set standards, and monitor Certified Public Accountants (CPAs) and CPA firms. The demand of today's public markets, citizens, industries, and governments for accurate financial information and advice inspires the Board's mission of regulating the profession of public accounting and CPAs and thereby protecting the public.

The Board has worked with the Department of Information Technology Services (ITS) to complete the implementation of a new licensure system (LARS) that automated some of the Board's activities and provided web-based transactions for many payment activities. Most of the development and implementation occurred and was expensed in FY15. Some development and implementation continues in FY16.

Because ITS will host the system and its data, the Board was able to eliminate the need for onsite data storage at the Board's offices and also eliminated the need for having a staff person responsible for maintaining an in-house system. Due to these factors, the Board worked with the State Personnel Board to eliminate one full time position at the end of FY15 through a Reduction-In-Force.

The Board applied a portion of the cost savings associated with the Reduction-In-Force to other agency requirements in FY16, including a proposed multi-year project to back scan approximately 800,000 paper documents currently stored in Board office file rooms.

#### **SALARIES**

The Board is requesting level funding in its FY17 Salaries categories. The total request for salaries and fringe benefits is \$22,946 less than FY15 actual expenses.

#### TRAVEL

The Board is requesting level funding in its Travel category.

#### CONTRACTUAL

The Board is requesting level funding from FY16 in its Contractual Services category. The FY17 contractual services expenditures are a significant decrease from FY15 actual due to the wrapping up of the new LARS project with ITS. Within the category there is a re-direction of funds from payments to ITS to the document back-scanning project.

#### COMMODITIES and CAPITAL EQUIPMENT

The Board is requesting level funding in its Commodities and Capital Equipment categories.

The FY17 overall budget request is unchanged from the amount appropriated in FY16, which when requested represented a 1.62% decrease from the FY15 estimate.
